Unacceptable James,

We clarified clearly to you our position that we have no intention of making any employment changes in the company from the CEO all the way down the flag pole.

We ask for a clean resignation of all the officers without any conditions attached.

You can speak to our attorneys if you wish but our position on this matter of going forward will not change.

For non-executives, we have one for our Chief Nursing Officer, but she's not an officer of the company and there is no change of control trigger. We have one for our Chief Psychiatrist but he has resigned with his last day next week. All others are at will employees.
